PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The District is requesting your Board's approval to re-employ Mr. Vance Colvig into active County service as a permanent Pilot, Fire Services, Schedule 102A, Step 6, \$8,731.00 per month. This request is consistent with your Board's policy, adopted July 6, 1993, which allows the re-employment of retired County employees on an indefinite basis and your Board's resolution, adopted October 7, 2008, which permits a safety member who was required to retire from service because of age to be re-employed by the County in the same position that he retired from.

Background

On May 1, 2007, due to the mandatory retirement of safety employees at age 60, Mr. Vance Colvig, Pilot, Fire Services, was mandatorily retired. On December 18, 2007, the Board adopted a resolution to implement SB 134 which eliminated the mandatory age 60 retirements; however, it excluded fire safety personnel from re-employment. Therefore, Mr. Vance Colvig was unable to be re-employed until the Board adopted a resolution to implement SB 579 on October 7, 2008. SB 579, which amends Section 31663.15 and repeals Sections 31663.2 and 31680.9 of the California Government Code, permits a safety member who was required to retire from service because of age to be re-employed by the County in the same position that he retired from. Thus, pursuant to Government Code 31680.8, the District is allowed to reinstate a safety member to active membership if they were required to retire from service because of age on or after April 1, 2007, and based on medical advice, is not incapacitated for the duties of the position assigned to him.

The District is requesting your Board approve the re-employment of Mr. Vance Colvig into active County service as the District has a critical need for pilots due to the shortage of well-qualified, experienced personnel.

Implementation of Strategic Plan Goals

This recommendation is consistent with the County's Strategic Plan Goal 1, Service Excellence, in which the District will utilize an experienced former employee to work in a position that would otherwise be filled by a less experienced person, thereby supporting our public safety mission.

FISCAL IMPACT/FINANCING

Funding for this position exists within the District's Operations Budget Unit, Salary and Employee Benefits appropriation. There is no impact to net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

LACERA is governed by the Los Angeles County Employee Retirement Law of 1937. This action is in compliance with Government Code Section 31680.8, pertaining to retired members returning to active membership.

Mr. Vance Colvig has been medically evaluated through the County and determined not to be incapacitated for the duties to be performed.

This Board letter has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will have no negative impact on current services.
